

Make Way For Collaboration

Armstrong[®]
World Industries

Custom Column Covers

A world of potential makes anything possible. Together, imagination and inspiration from every direction combine to create remarkable spaces that balance beauty and function.

As the foundation of every design, columns unify your space – and your vision. Our custom column covers inspire you to make a bold statement or seamlessly carry your design from floor to ceiling, outside to inside and beyond.

Product: CC100 Exterior Backlit Tapered
by Móz™ Designs
Finish: Skyline Laser Cut in White Matte

Product: Tubular by Turf Design
Base Color: 29 Dark Blue
Top Color: R19 Blue

With our enhanced and expanded portfolio of wood, metal, felt, and CastWorks™ materials, Armstrong offers more ways for you to make your vision a reality.

Create your next great space with an endless array of shapes, sizes, and textures, including one-of-a-kind metal finishes from Móz™ Designs and felt solutions from Turf Design. Our ProjectWorks® Design and Pre-Construction Service will help you translate your inspiration into a truly unique design.
