

# Sincerus™

## Linear UV Air Purification System

**24 / 7  
DEFEND™**  
Solutions for Healthier,  
Safer Spaces

# 99.9%

**Efficacy Rate**

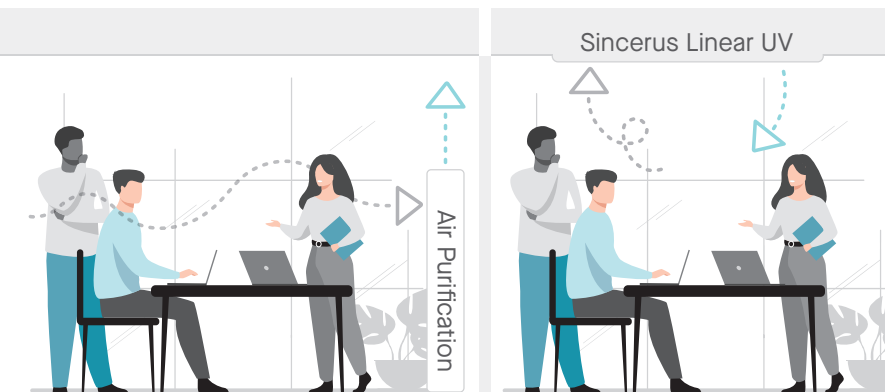

Neutralizes 99.9% of bacteria, viruses, and fungi

### UV-C & Filter Technology

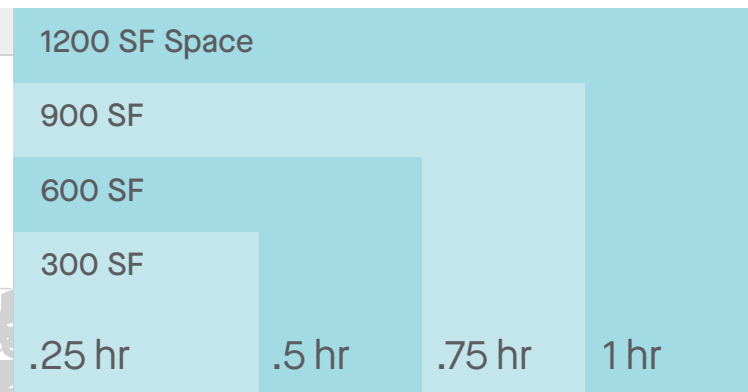

Concealed chamber safe for occupied spaces

### Linear Design

Integrated design coordinates with other linear fixtures

**Air Flow Examples**  
Stand Alone Floor Unit vs. Sincerus Unit

**Time To Clean The Air**  
with 2 Sincerus Units

Assume 10' high ceilings. Additional units will reduce the time needed to treat the air. Performance time based on Sincerus testing and efficacy.
