

AXIOM® Design Troughs

Functional Channels for Lighting and MEP

Axiom Design Troughs in White and Black

Axiom® Design Troughs are standardized extruded aluminum solutions that simplify ceiling channel design while delivering a clean, integrated aesthetic that elevates the overall ceiling design.

KEY SELECTION ATTRIBUTES

- Four profile designs to accommodate a wide range of applications; 2" x 4" trough, 2" x 6" trough, 4" face plate, and 6" face plate
- Custom height and width options available
- Integrated bosses support discreet clip and splice plate connections for a refined, uninterrupted appearance
- Utilizes standard 90° corners, 3-way and 4-way intersections to make the unique design layouts possible
- Allows for easy integration of lighting, MEP, HVAC, and architectural detailing within a single channel
- Out-of-the-box troughs simplify field installation and reduce jobsite complexity
- Designed to be cut in the field for layout flexibility
- Coordinates with Armstrong ceiling and suspension systems
- 10-Year Limited Warranty, 30-Year System Warranty
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim (Cleaning and CDC-approved disinfecting options available on armstrong.com/cleaning)
- Axiom® trim and Design Troughs are part of the Sustain™ portfolio and meets the most stringent industry sustainability compliance standards today

COLORS Due to printing limitations, shade may vary from actual product.
