Lyra PB Tegular in Brown Sugar Walnut

Lyra® PB wood-look panels provide the natural beauty of large format wood ceilings with superior sound absorption and sustainability attributes without the expense.

KEY SELECTION ATTRIBUTES

- Superior sound absorption: Lyra PB panels provide up to 0.95 NRC
- Lyra PB panels are part of the Sustain® portfolio, and meet the most stringent industry sustainability compliance standards today
- 8 wood-look visuals are now part of the Lyra PB portfolio
- Mold- and mildew-resistant surface
- Lightweight panels offer fast and easy installation on standard 15/16" and 9/16" suspension system
- Sag-resistant: perfect for high-humidity applications
- Fast lead times
- Axiom® Trim options available for cloud applications
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim
- Sag-resistant: perfect for high-humidity applications
- Compatible with TechZone® Ceiling Systems
- Made in the U.S.A. of domestic and global content
- Build America, Buy America (BABA) Act compliant
- 30-Year Limited System Warranty against visible sag, mold, and mildew

COLORS Due to printing limitations, shade may vary from actual product.

Please refer to the physical product sample prior to making a final selection. While we strive to ensure exact color matches, various factors such as differences in materials, texture, substrate porosity, painting processes, lighting, and observer subjectivity can all affect how paint colors appear on ceiling and wall panels, suspension systems, and trim products. Due to these and other differences, ceiling and wall panels, trim products, and suspension systems with the same color name will coordinate but may not be an exact color match. Product is dye-lotted. Order sufficient initial quantities and attic stock to minimize possible color variation.</p> <p>Design Consideration: Wood-Look Panels All wood-look panels are produced with wood grain parallel to the panel length.
